

INDIANA AVIATION ECONOMIC CONTRIBUTION STUDY

Tenant/User Survey Jasper County Airport

The Indiana Department of Transportation Office of Aviation (INDOT), Aviation Indiana and Conexus are conducting an update to our 2012 Economic Impact Study that measures the economic importance of this state's airports. We are asking each firm serving, using, or being impacted by one of the airports in our study, to complete the following questionnaire. Your answers will be anonymous and data will be summarized so that the analysis and report will in no way disclose data on your specific company. If you would like to see a copy of the last study, it can be found at <https://www.aviationindiana.com/aai-economic-impact-study-2/>

Your answers should apply to your company as it exists or relates to the airport named above. Please complete the survey and return it to the email address provided at the bottom of the survey by December 31, 2016 OR this survey can be found online at www.aviationindiana.com/economic-study/. If you have any questions feel free to contact Marty Blake with the INDOT at mablake@indot.in.gov or 317/232-1487, Bart Giesler with Aviation Indiana at bgiesler@wswi.com or 317/916-4184, or Michael Schmierer with Conexus at mschmierer@conexusindiana.com or 317/532-4777.
